

DNA Sequence Analysis Report

Sequence ID: PASTED_SEQUENCE
Description: Pasted DNA input
Generated: 7/4/2026, 12:35:31 PM

Sequence Statistics

Total Length	1000 bp
GC Content	49.8%
AT Content	50.2%
A Count	256
T Count	246
G Count	263
C Count	235

Base Composition (counts)

Base Composition (%)
